

## CRYSTAL + BOBBY'S DESTINATION WEDDING

While we may not have been the official photographers for our friends Crystal and Bobby's special day, you know we couldn't help but capture a few memories for them! [Punto de Vista](#) was an unbelievable villa, featuring the Costa Rican jungle as the backdrop of nearly every angle in every room, and setting the stage for an unforgettable night. This was truly an amazing wedding (and amazing vacation with amazing friends)!
